Matheson – Iroquois Falls – Cochrane

Equal Opportunity Employer *is seeking a Part Time*

Registered Nurse Diabetes Educator

The MICs Group of Health Services—a partnership of 3 hospitals and 3 long-term care facilities—is seeking a Diabetes Educator. This is a part-time (37.5 hours bi-weekly) position reporting to the MICs Diabetes Program Leader. This position is responsible for the day-to-day operations, including scheduling, teaching, counselling and follow-up, within the scope of practice of a Registered Nurse, of the Diabetes program within the communities of Cochrane and Smooth Rock Falls. The Diabetes Educator works within the larger team of diabetes clinicians to develop, implement, and evaluate diabetes education, programs and treatment services, provide education awareness and act as a resource consultant within the community and to other health care professionals.
