

ABOUT US

For more than 35 years, we've provided health & social services to those who experience barriers to care such as poverty, homelessness, language or culture, and complex and/or chronic health conditions.

We are viewed as a community leader in newcomer health, care of marginalized women, issues of health equity, client-led service development, and the advancement of partnerships that improve access to vital services for people who are at the margins in our community.

APPLY NOW

Submissions will be accepted until end of day **March 6, 2026**.

The Health Centre is committed to hiring staff that reflect the diversity of the clients and community that we serve. If you require accommodations during any stage of the recruitment process, please let us know. We are happy to work with you to meet your needs! Contact us at people@lihc.on.ca.

We thank all applicants for their interest; only those selected for interview will be contacted.

Due to the vulnerability of our client populations, it is a condition of employment that the successful candidate submit a Vulnerable Sector Police Clearance to Human Resources.

AI USAGE

We do not use artificial intelligence (AI) to screen, assess, or select candidates. Every application is reviewed by a real person, and human decision-makers are involved at every stage of our recruitment process.

REGISTERED NURSE – DIABETES EDUCATOR

Temporary full-time contract to cover a planned leave of absence

The Health Centre seeks a Registered Nurse (RN) committed to providing high quality education and healthcare services to people living with diabetes, as well as people who are at risk of developing diabetes. The RN works as a member of a multidisciplinary team supported by physicians, nurse practitioners, registered dietitians, social workers, community development workers, and support staff. In this role, the RN will provide diabetes education counselling, community outreach and health promotion to individuals, families, and the community.

THE COMPENSATION PACKAGE

- A starting salary range of \$74,000 - \$78,000
- Monday to Friday - no weekends!
- A Psychologically Safe and Inclusive Workplace
- 100% employer-paid health and dental benefits
- Healthcare of Ontario Pension Plan (HOOPP)
- Paid sick and vacation time

REQUIRED QUALIFICATIONS

- Postsecondary diploma (RN) or degree (BScN) from a recognized college or university
- Certified Diabetes Educator (CDE) through the Canadian Diabetes Educator Certification Board (CDECB) or working towards certification
- Registration in good standing with the Ontario College of Nurses
- Minimum 3 years of clinical diabetes experience, preferably in primary care
- Experience developing and following diabetes care plans with MD/NP
- Experience facilitating individual and group education sessions
- Awareness and understanding of the social determinants of health, health promotion and adult education principles
- Demonstrated ability to work with individuals from diverse backgrounds through an inclusive and anti-oppressive lens

PREFERRED SKILLS

- Experience with Electronic Medical Records (Telus Practice Solutions Suite currently in use)
- French and other language skills are considered an asset in supporting the communities we serve

Applicants are encouraged to learn more about the Health Centre and explore our web presence by visiting us online at www.lihc.on.ca or liking us on Facebook – London InterCommunity Health Centre.

Even if you don't meet every requirement listed above, we still want to hear from you!
